

FOCAL[®] *INSIDE*

TOYOTA TOYOTA CALYA

ACOUSTIC 6.0

This solution allows you to improve the front and rear speakers of your vehicle, for richer sound and better sound distribution within the cabin. Installing the new speakers does not require any significant modifications to the existing audio system, allowing for sound improvement while maintaining compatibility with your original equipment.

LOUDSPEAKER KITS

Rear doors

IC TOY 165

2-way coaxial kit

Front doors

IS TOY 165 TWU

2-way separate kit

Legal Information: • These Focal Inside products have been designed for specific vehicles. • They are compatible with other vehicles from the same manufacturer or automotive group. • However, Focal cannot guarantee full compatibility with these vehicles: adjustments may be necessary. • It is essential to verify the compatibility of our speaker kits with your vehicle's audio system before any purchase or installation. • Focal cannot be held responsible for any incompatibility or damage resulting from incorrect installation.

Brand Information: • System not compatible if the vehicle is pre-equipped with the original Premium Hi-Fi option.
