For more than four decades, Focal has created speaker drivers and high-end loudspeakers that deliver a unique sound. Our brand values are innovation and performance; excellence and pleasure. We are globally renowned for our exclusive technologies. The result of this technological heritage is class-leading products offering a natural, authentic performance, imbued with clarity and power. Our handcrafted headphone collection combines this outstanding listening experience with exquisite, high-quality design, for an all-round luxury sensation.
OPEN-BACK HEADPHONES

Ultimate listening experiences at home

Utopia and Clear Mg are high-fidelity headphones with an open-back design, offering exceptional audio reproduction thanks to their latest generation speaker drivers with no restriction: completely free, the sound is pure and sensational. Their carefully selected finishes, meticulous detailing and fine materials augment the elegance of Utopia and Clear Mg, enhancing your listening pleasure.

CLOSED-BACK HEADPHONES

Sound immersion

Our engineers have used cutting-edge techniques to bring the best aspects of open-back headphone performance to closed-back design. Stellia and Celestee incorporate speaker drivers capable of working within a limited space, while offering perfect soundproofing and exceptional listening quality. They perfectly illustrate the brand’s refusal to compromise, finished with a touch of French sophistication.

Utopia are Focal’s flagship headphones. Thanks to their innovative speaker drivers, the listening experience is stunningly realistic. The leather, as well as the woven carbon fibre of the headband, lend an elegant touch to the high-performing, highly comfortable Utopia. The honeycomb grilles and the Black Chrome ring highlight subtle details of the design, such as the ‘Yin and Yang’ on the exterior of the earcup, which represents the perfect harmony between high technology and design.

02. STELLIA

Pure sound everywhere

Each Stellia component is developed in the pursuit of excellence and refinement, down to the full-grain leather of the headband, the beautifully styled earcups and the ultra-comfortable earpads. The full-range driver, with its 'M'-shaped pure Beryllium dome, combines an array of Focal innovations – together they deliver an incredible listening experience. Stellia pushes the acoustic boundaries of the very best closed-back headphones and stands out as the reference model in its class.

Thanks to their Magnesium drivers, fully open at the back, Clear Mg headphones reveal the smallest details of your music with precision and finesse. You’ll even forget you’re wearing them... The solid aluminium yoke offers pure, seamless design. The exterior of the earcups features a honeycomb pattern for yet more sophisticated elegance, enhanced further by the Chestnut and Mixed-Metals finish, as well as the genuine leather and microfibre earpads.

CELESTEE

Reveal the intensity of every moment

Enjoy a listening experience without a noisy environment disturbing your pleasure or worrying about annoying the person next to you: this is the promise made and kept by Celestee. Thanks to its drivers, Celestee delivers audio quality without compromise, with outstanding soundproofing and comfort. Precision and balance define the sound reproduction, while elegance embodies the design. Lastly, the Navy Blue finish and carefully selected materials further refine these headphones.

Bentley Special Edition

Focal for Bentley Radiance closed-back headphones are a special edition created in honour of the partnership between Focal, Naim Audio and prestigious car manufacturer, Bentley Motors. Engineers and designers have worked together to develop these high-end and elegant headphones. Authentic, refined Bentley touches are added with Copper finishes and Diamond motifs: every detail has been considered, making Radiance a collector’s item.

ACCESSORY
Headphones stand

Specifically designed for Focal headphones, this stainless steel stand is also available as part of our collection. Its stylish shape, reminiscent of the Focal flame logo, provides a simple, aesthetic storage solution for your headphones, while the sleek design is finished with laser engraving. Thanks to its Setapan® base, it ensures perfect stability.
