HANDCRAFTED IN FRANCE HEADPHONES
For more than four decades, Focal has created speaker drivers and high-end loudspeakers that deliver a unique sound. Our brand values are innovation and performance; excellence and pleasure. We are globally renowned for our exclusive technologies. The result of this technological heritage is class-leading products offering a natural, authentic performance, imbued with clarity and power. Our handcrafted headphone collection combines this outstanding listening experience with exquisite, high-quality design, for an all-round luxury sensation.
OPEN-BACK HEADPHONES

Ultimate listening experiences at home

Utopia and Clear Mg are high-fidelity headphones with an open-back design, offering exceptional audio reproduction thanks to their latest generation speaker drivers with no restrictions: completely free, the sound is pure and sensational. Their carefully selected finishes, meticulous detailing and fine materials augment the elegance of Utopia and Clear Mg, enhancing your listening pleasure.

CLOSED-BACK HEADPHONES

The best sound, everywhere you go

Focal's engineers have used cutting-edge techniques to bring the best aspects of open-back headphone performance to closed-back design. Stellia and Celestee both incorporate speaker drivers capable of working within a limited space, while offering perfect soundproofing and exceptional listening quality. These headphones, for use in the home or on the move, perfectly illustrate the brand’s refusal to compromise, finished with a touch of French sophistication.
01. UTOPIA

Sonic purity at its finest

Utopia are Focal’s flagship headphones, combining exquisite engineering and craftsmanship. Thanks to their innovative, exclusive pure Beryllium speaker drivers, the listening experience is stunningly realistic, dynamic and transparent. The headphones sensation disappears completely, for unrivalled sound purity. The true lambskin leather used on the earpads, as well as the woven carbon fibre of the headband, lend an elegant touch to the high-performing, highly comfortable Utopia.

CLEAR MG

Experience excellence

Thanks to their Magnesium drivers, fully open at the back, Clear Mg headphones reveal the smallest details of your music with precision and finesse. You’ll even forget you’re wearing them... The solid aluminium yoke offers pure, seamless design. The exterior of the earcups features a honeycomb pattern for yet more sophisticated elegance, enhanced further by the Chestnut and Mixed-Metals finish, as well as the genuine leather and microfibre earpads.

ACCESSORIES

Headphones

Specifically designed for Focal headphones, this stainless steel stand is also available as part of our collection. Its stylish shape, reminiscent of the Focal flame logo, provides a simple, aesthetic storage solution for your headphones, while the sleek design is finished with laser engraving. Thanks to its Setapan® base, it is heavy and rigid, ensuring perfect stability.
