SUBWOOFERS
SUB 12 DUAL
Product sheet

Designed and developed in France, the Sub 12 Dual benefits from Focal’s renowned savoir-faire. With its 30cm polypropylene cone, this subwoofer provides an excellent bass boost for any on-board audio system. Its dual-coil architecture offers the option to fit it in parallel with a 2-Ohm operation, allowing the amplifier’s maximum power to be exploited.

Key points
• A deep and powerful bass
• Effective as bass-reflex or sealed box
• Sealed box from 15L
• Bass-reflex box from 30L
• Parallel voice coil connection for more SPL
• Robust design
• Excellent power handling

Butyl surround
Superior resistance

Polypropylene cone
Offering high rigidity that reduces distortion at extreme volumes

Steel chassis
Rigid and compact

Spider decompression
Voice coil ventilation

Push terminals
Simple and reliable connection

2 x 4 Ohm dual voice coil
High SPL capacity
