**CUSTOM OD 108**

**Product specification sheet**

The Custom 100 "big sound" can now be brought outside with the OD 108 loudspeaker. Equipped with a 8" (21cm) glassfiber cone and an Aluminum inverted dome tweeter, this all-weather loudspeaker delivers a powerful sound with solid bass thanks to its high-efficiency and its high power-handling. Suitable in long-range situations (up to more than 30m) as well as in short-range, the OD 108 is a versatile loudspeaker, able to perfectly work in low or high level.
