Performance P165V30

2-way kit

- 1\(^{\text{st}}\) (25 mm) voice coil on Kapton\textsuperscript{®} former
- High power handling
- Polyglass cone
- Neutral sound without coloration
- Semi-rigid dust cap
- Harmonic control

- Butyl surround
- Excellent resistance
- Engraved serial number
- Authenticity certificate

- Aluminum chassis
- Rigid and non-magnetic
- Diamond cutting finish
- For much style

- Very low-resistance air core inductor
- Less efficiency loss, insensitive to parasite
- Adjustable tweeter level
- Level adaptation according to its location

- TNB inverted dome tweeter
- Details without directivity
- Push-pull Neodymium dual magnet
- Very high tweeter linearity
- Voice-coil on aluminum former
- Optimum thermal dissipation
- Directivity part
- Broadens the soundstage

- Voice-coil integrated cooling system
- Constant performance, optimum reliability
- Streamlined decompressed magnet
- Perfect magnetic locking up, no ventilation noise

- Polypropylene capacitor
- Natural treble reproduction
- Smoked cap
- Much sobriety
- Golden binding post terminals
- Insured link reliability

- Butyl surround
- Excellent resistance
- Engraved serial number
- Authenticity certificate

IT MAKES THE DIFFERENCE

- Lively reproduction
- High sensitivity
- 30 years of Focal know-how
- Special Edition model

TECHNICAL CHARACTERISTICS
